

COMPULSORY CHARGES YEARS 11 & 12

COMPULSORY CHARGES

Payment for all courses in Years 11 and 12 are compulsory. There is no established maximum as charges depend on the subjects selected by the students.

VOLUNTARY APPROVED REQUESTS

Voluntary Approved Requests assist the school in replacing and purchasing resources such as Information Technology and school buses replacements. A complete list of these requests are [available here](#) for 2020.

Pastoral Care

The Chaplain's role is to serve the school by encouraging, motivating and inspiring young people to be the best that they can, and to help them through issues that may threaten their potential. The school would appreciate if you could donate to the Pastoral Care, as this will assist in maintaining this valuable service to the students.

P&C Contributions

The P&C Association seeks your continued support for 2020. Parents are asked to pay a contribution of \$40.00 per family. This contribution enables the P&C to purchase much needed equipment students use.

School Bus Replacement

The Department of Education does not provide school buses or funding toward a bus and the cost of bus hire to the school is quite substantial. The school has school buses that have significant running costs and your support in donating toward these costs will assist in keeping these running costs down.

Technology Resources

All students will be accessing computers, printers and the internet as a tool to assist them in their learning across all curriculum areas. Costs associated in providing this equipment and service to the students is substantial.

Library Resources

This contribution assists in the resourcing of educational and reference books to assist students in their curriculum program. These books are selected according to the school needs and are specific to the curriculum program.

EXTRA COST OPTIONAL CHARGES

Charges for optional activities are dependent on the student participating in the activity ie: excursions, special programs or general school involvement. Charges to families are calculated on a cost recovery basis and every effort is made to keep the costs to a minimum. The **maximum** that could be charged is [available here](#) for 2020.

Visa Holders

Some visa holders must apply and pay tuition directly to TAFE International WA in addition to the school's standard requested Voluntary Contributions and Charges. See the following website for further information: <https://www.tafeinternational.wa.edu.au/your-study-options/study-at-school>.

Smartrider Cards

Smartrider Cards are free for Year 7 students. There will be a charge of \$5 for any replacement Smartrider Cards in all years. However, students that turn 18 during the year will require to order an adult Smartrider Card and this will incur a \$10 charge.
