Body Adornment

All piercings, including earrings and any other body jewellery worn, must be of a minimal nature and comply with work, health and safety (WHS) requirements.

- ◇ Students will be asked to remove any oversized or unsafe body jewellery/ adornments.
- ◇ All earrings and/or nose jewellery must be removed or covered for contact sports.

Items of value should be left at home. This is the responsibility of the student.

Dress Code

It is a requirement for ALL students to wear the approved Dress Code.

Thank you, students and parents for the support of our Dress Code which has been endorsed by the School Board in consultation with students, parents and staff members of Morley Senior High School. Uniform Concepts run the uniform shop from their off-site premises in Inglewood.

The Dress Code enhances School Identity and Spirit and is recognised in the wider community. The Dress Code is an example of how students, parents and staff can work collectively for a worthwhile end.

Students not in the correct uniform will be asked to change into uniform from our Code of Dress room stock, or parents will be contacted to bring the correct uniform from home.
