ENROLLING YEAR LEVEL	7	8	9	10	11	12
COMMENCEMENT YEAR	20 ____ ____					

Please note:

- A parent or legal guardian applying to enrol a child in a government school should complete this Application for Enrolment form.
- Only permanent residents of Australia and those children holding an approved visa sub-class number are eligible to be enrolled in a government school.
- Only students under the age of eighteen years of age can be enrolled and must be accompanied by a parent(s) or legal guardian. Out of area enrolments may be accepted if places are available.
- It is a requirement of the Department of Education that any information on suspensions and exclusions must be provided to the school at the time of applying to enrol a child.

The Principal of the school may cancel the enrolment of an enrolled student if the Principal is satisfied that:

- The enrolment includes false or misleading information; or
- The Principal has received notification of changes to any of the following:
 1. Usual place of residence
 2. Court orders pertaining to the child
 3. Details of any conditions of the child that may call for special steps to be taken
 4. Legal Guardian of the child

Morley Senior High School is a local intake school. A map of this area is available on 'Schools online' or the school website www.morleyshs.wa.edu.au. A child whose usual place of residence is within the local intake area is guaranteed enrolment (subject to required documentation). If your child has gained enrolment from outside the local intake area, this does not guarantee their siblings enrolment in the school. An older sibling currently enrolled in the school does not guarantee a placement in the school for a younger sibling.

The information provided on this form will be stored securely in local school and Departmental databases. The management of these databases is governed by State and Department policies to ensure security, privacy and confidentiality. The Department of Education's Information Privacy and Security policy preclude this information from being used for any purpose other than:

- to determine whether your application for enrolment can be accepted;
- to assist the school with addressing any needs for your child if enrolment is accepted; and
- to comply with legal requirements or ministerial directions

OUTLINE OF OUR SPECIALIST PROGRAMS

PERFORMANCE PLUS (P+) YEAR 07

Morley Senior High School offers students with demonstrated academic talent the opportunity to participate in an inquiry-based learning program structured to explore themes of Ecology and Enterprise. And not just explore. We acknowledge that the current environmental climate will require leaders with strong skills in enquiry, critical thinking and creativity. Using real world issues and problems the P+ program focuses students' imagination, inventiveness and innovation to find real world solutions within the microcosm of the school environment: solutions that can then be shared with wider audiences.

SCREEN AND MEDIA

Morley Senior High School's unique specialist program offers successful applicants the opportunity to develop or enhance their skills in areas of interactive game design, web design, photography as well as audio-visual editing and production. The program affords the students the platform for linking traditional art skills into modern television and multimedia contexts whilst exploring, creating and analysing a range of media forms.

The School of Screen and Media is the only specialist high school program in Western Australia through which students are able to regularly create and broadcast their own television information programs to a broader audience. This highly regarded program requires a minimum four-year commitment from all participants.

AVIATION

Morley Senior High School has been home to one of the state's longest running specialist programs in aviation, having attracted student enrolments across the entire state since 1978. The program itself has proven to be extremely stimulating and promotes intellectual curiosity and analytical thinking, which encompasses a range of mathematical and technological skills developed through flying. Familiarisation flights on a range of aircraft such as the Cessna 152 and 172 further build student understandings and insights into aviation related issues.

This prestigious program requires a minimum four-year commitment from all participants and ultimately all students who successfully pursue this course to Year 11 and 12 level will be afforded opportunities to engage in structured flying lessons through the academy which contribute towards the accreditation and attainment of a private pilot's licence. The practical component of this course incorporates operating a flight simulator, flying radio-controlled aircraft, flying gliders as well as powered aircraft all of which has enabled many former students to achieve a solo flight by the age of 15.

All students of the Aviation Academy benefit from the extensive and enduring civil aviation industry links formed by the school, giving them access to the comprehensive and varied aeronautical resources and expertise at Jandakot Airport.

Furthermore, students of the academy also have the opportunity to join the RAAF Cadets program and thus access the vast support network and facilities of the Royal Australian Air Force.

The academy students enjoy exclusive use of the school's designated aviation centre which is equipped with the latest technology and software to support student learning and also boasts a state of the art, fully operational flight simulator.

SOCCER ACADEMY

Morley Senior High School is proud to offer a school-based Soccer Academy to compliment its range of specialist options for students. Students entering Morley Senior High school in Year 7 have the opportunity to apply to be a part of the Academy and participate in a program designed by Football Federation Australia which focuses on a Skills Acquisition in 4 components of the sport, including 1 v 1, Running with the ball, Striking the ball and First touch.

Selected Students are also given opportunity to represent Morley Senior High School in an after-School Soccer Tournament run by School Sport WA in Term 2 and 3. The program also offers Futsal (indoor soccer) lessons to all students in the program.
